To keep your Kalladium finishes looking great and help them last longer than 15 years, Superior Surface, LLC recommends these cleaning methods to ensure Kalladium's durability and beauty!

Use SAFE non- abrasive products:

- ✓ Lysol Professional Tub & Tile Cleaner
- ✓ Formula 409
- ✓ Scrubbing Bubbles
- ✓ 5% Bleach diluted in Water
- ✓ Simple Green
- ✓ Method Tile Cleaner
- ✓ Citrus Cleaners
- ✓ Clorox Cleanup
- ✓ Vinegar & Baking Soda
- ✓ Superior Surface non slip bath mats

Avoid these abrasive chemicals and scouring pads:

- ⊗ Bleach Straight
- ⊗ Comet
- ⊗ Ajax
- ⊗ Oven Cleaner
- ⊗ Soft Scrub
- ⊗ Zep Industrial
- ⊗ Krud Cutter
- ⊗ Solvents
- ⊗ Laundry Detergents (soaking cloths in tub)
- ⊗ Suction Cub Bath Mats
- ⊗ Steel Wool

We warranty all work but the use of any type of **SUCTION CUP bath mat will VOID the warranty.** Even the temporary use of a suction cup bath mat might damage the finish! If slipping is an issue, Please call (414) 313-0132 to request an approved non- slip mat.
